

Newham Collegiate Sixth Form Centre

A specialist centre for Science and Mathematics

Principal: Mr Mouhssin Ismail, LLB LLM

18th March 2020

Dear Parent/Guardian

COVID - 19 (Update)

By now many of you would have heard the announcement made by both the Prime Minister and the Secretary of State for Education, Gavin Williamson.

All Schools/Colleges in England will close to pupils from the **end of the day on Friday 20th March 2020** until further notice. We anticipated this was on the horizon and have already put in place measures for students to access their lessons via Microsoft Teams; this has already been taking place in some lessons and from all accounts this has been working extremely well.

The government also announced that all public examinations scheduled for May/June will now not go ahead. This clearly has implications for all Y13 students and once we have digested all the available information, I will provide a detailed update to you in due course

Should you wish to discuss any aspect of this letter in further detail please do not hesitate to contact me.

Yours faithfully

Mr Ismail

Principal of the NCS
